INTRODUCTION

Solace Place Foundation International (SOPAFON) is a non-government organization that works in partnership with other organizations of like minds guided by fundamental commitments to human rights and the alleviation of human suffering. It seeks to prevent and resolve conflicts, enhance freedom and democracy and improve health. SOPAFON main goal is to bring the hopeless less privilege, women, orphans and vulnerable children, the destitute and the unemployed youths to a hopeful citizen by providing rehabilitation, empowerment, and economic strengthening including legal aid, and also supporting persons infected and affected by HIV/AIDS.

GOAL

To offer educational and psychosocial supports such as : Scholarship, Skills Development Trainings, and to advocate and draw support of key stakeholders in other to give succour to the less-privilege in rural communities through seminars and workshops.

AIMS AND OBJECTIVES

- ❖ To empower the widows, orphans / vulnerable children and unemployed youths to embark on petty trading to avoid their involvement in promiscuity which could lead to their untimely death.
- ❖ To run a skill acquisition training and empowerment programmes to the widows, orphans / vulnerable children and unemployed youths.
- ❖ To award scholarships to orphans /vulnerable children, physical challenged people and students of poor parentage while providing academic materials for them.
- ❖ To provide support with people living with HIV/AIDS (PLWHA) and people caring for HIV/Aids patients (PCHAP) and embark on counselling services for victims and caregivers as well as carry out campaign /organize workshops/seminars, aimed at checking stigmatization and discrimination against HIV/AIDS patients and caregivers, we also provide for their rehabilitation and give financial aids to patients and those taking care of them
- ❖ To assist vulnerable people across the society irrespective of culture, social status, religion or race, language, color, ethnicity and affiliation.

Attached is the Work Plan

WORK PLAN

Solace place Foundation International (SOPAFON) has been involved in community based activities and has affected the lives of thousands of vulnerable groups in Nigeria, through core programmes like Widows, Orphans and Vulnerable Children, unemployed Youths. Solace Place Foundation programmes / project are: Skill Acquisition Training and Empowerment to the Widows/Rural Grassroot Women, ICT Training and Entrepreneurship to the Youths, Educational Support programmes / scholarship award to the Orphans and vulnerable children.

The organisation has over the years, shown commitment, Transparency, Accountability and prudence in the execution of assignments and has a track record of successful implementation of projects/programs.

We therefore, are in need of partners who will sponsor our activities in the following areas;
